TARION NEW HOME WARRANTY

ONE-YEAR WARRANTY PROTECTION

The home is free from defects in workmanship and materials.

TWO-YEAR WARRANTY PROTECTION

The home is free from:

- Defects in workmanship and materials including caulking, windows and doors, so that the building prevents water penetration, protects the electrical, plumbing, and heating delivery & distribution systems, and prevents deterioration of exterior cladding
- Violation of the Ontario Building Code's Health and Safety provisions.

SEVEN-YEAR WARRANTY PROTECTION:

A "major structural defect" is defined in the Ontario New Home Warranties Plan Act as:

- A defect in workmanship and materials that results in the failure of a load-bearing part of the home's structure, or adversely affects your use of the building as a home.

All plans and specifications are subject to change from time to time without notice at the sole discretion of the Vendor. The Vendor reserves the right to substitute materials of equal or better value. The vendor reserves the right to change the foregoing specifications without notice. E. & O. E.
